for patients and their families

We are here to help fill an urgent need.

LET US HELP

NEW Community Health Foundation has arrangements with Candlewood Suites to provide discounted room rates to patients and family members who have traveled to Gillette for medical needs.

Let us help you in your time of need. Dealing with medical procedures can be stressful. With the partnership of Candlewood Suites, we can help fill your hospitality needs.

Candlewood Suites charges a reduced nightly rate available because of donations made to the NEW Community Health Foundation.

Financial Assistance may be available in certain cases. For guests who wish to apply, please let your healthcare provider know.

The Candlewood Suites is conveniently located off I-90, offering apartment-style suites that feel like home.

You'll feel comfortable in their suites, free guest laundry facility, fitness center, and weekly housekeeping. Candlewood Suites also has Candlewood Cupboard, a convenience store offering a quick meal or snack. The Lending Locker is also available for other extended stay needs.
